

Process flow for New changes

New features has been included to make the operation flow quicker with error free operation and the list of items mentioned below for your reference

- Place of Delivery in Waybill and Printout
- Value of consignment with GST and without GST Capture in waybill

Place of delivery

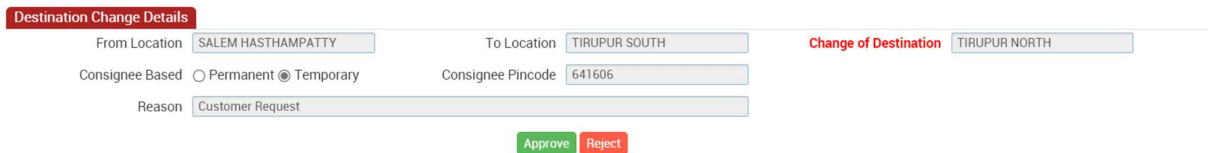

In waybill booking screen new field will be provided to choose the place of delivery option within the cluster and it will be used for the below mentioned reason only

Place of delivery will be fixed by two way

- Consignee Based fixation
- Branch Master Fixation

Consignee Based fixation:

During change of destination while the customer requesting for specific branch to be delivery Regional manager need to approval as **“Consignee Based”** Permanent. Based on the approval upcoming booking the delivery branch will be listed in **“Place of delivery”** field by default. If required the user can change with in the cluster to avoid delivery

The screenshot shows a 'Destination Change Details' form. It includes fields for 'From Location' (SALEM HASTHAMPATTY), 'To Location' (TIRUPUR SOUTH), and 'Change of Destination' (TIRUPUR NORTH). There are radio buttons for 'Consignee Based' (Permanent and Temporary), with 'Temporary' selected. The 'Consignee Pincode' is 641606. The 'Reason' is 'Customer Request'. At the bottom, there are 'Approve' and 'Reject' buttons.

Branch Master Fixation:

In Branch Master, provided New field and named as **“ Place of delivery”** as a Drop down option, at the time of branch creation the place of delivery will be provided as destination branch name.

- **Already Operating branch**, the destination branch and Place of delivery will be same
- **Not in Service** , The destination branch and place of delivery will be difference
 - **For Ex:- ARANTHANGI** is a closed branch but the delivery was happening through by **PUDUKOTTAI**
 - the waybill will be booked against **ARANTHANGI** and delviery will happen through **PUDUKOTTAI, reason for Quintal Per KM and Master rate**

Waybill Screen:

In Waybill Screen new field will be list as **“Place of delivery”** based on Master and Consignee based approval the location will be load

- Contract rate will be take for destination branch
- For Operation purpose the delivery branch will take from Place of delivery branch
- Similar in report / Waybill Print out the original destination & Place of delivey will be list
- For the change we will handle the revenue loss
- All Transaction like OGPL, Waybill movement & Delivery will be place of delivery only.

Pin code mapping Permanent Changes:

For the changes the pincode mapping will be default and the assigned pincode will not be changed from one to another.
